17B-1-505 Withdrawal of municipality in certain districts providing fire protection, paramedic, and emergency services or law enforcement service.

- (1)
- (a) The process to withdraw an area from a local district may be initiated by a resolution adopted by the legislative body of a municipality, subject to Subsection (1)(b), that is entirely within the boundaries of a local district:
 - (i) that provides:
 - (A) fire protection, paramedic, and emergency services;
 - (B) law enforcement service; or
 - (C) municipal services, as defined in Section 17B-2a-1102; and
 - (ii) in the creation of which an election was not required because of Subsection 17B-1-214(3)(d) or (g).
 - (b) A municipal legislative body of a municipality that is within a municipal services district established under Chapter 2a, Part 11, Municipal Services District Act, may not adopt a resolution under Subsection (1)(a) to withdraw from the municipal services district unless the municipality has conducted a feasibility study in accordance with Section 17B-2a-1110.
 - (c) Within 10 days after adopting a resolution under Subsection (1)(a), the municipal legislative body shall submit to the board of trustees of the local district written notice of the adoption of the resolution, accompanied by a copy of the resolution.
- (2) If a resolution is adopted under Subsection (1)(a), the municipal legislative body shall hold an election at the next municipal general election that is more than 60 days after adoption of the resolution on the question of whether the municipality should withdraw from the local district.
- (3) If a majority of those voting on the question of withdrawal at an election held under Subsection (2) vote in favor of withdrawal, the municipality shall be withdrawn from the local district.
- (4)
- (a) Within 10 days after the canvass of an election at which a withdrawal under this section is submitted to voters, the municipal legislative body shall send written notice to the board of the local district from which the municipality is proposed to withdraw.
 - (b) Each notice under Subsection (4)(a) shall:
 - (i) state the results of the withdrawal election; and
 - (ii) if the withdrawal was approved by voters, be accompanied by a copy of an approved final local entity plat, as defined in Section 67-1a-6.5.
- (5) The effective date of a withdrawal under this section is governed by Subsection 17B-1-512(2) (a).

Amended by Chapter 140, 2016 General Session

17B-1-506 Withdrawal petition requirements.

- (1) Each petition under Section 17B-1-504 shall:
- (a) indicate the typed or printed name and current address of each owner of acre-feet of water, property owner, registered voter, or authorized representative of the governing body signing the petition;
 - (b) separately group signatures by municipality and, in the case of unincorporated areas, by county;
 - (c) if it is a petition signed by the owners of land, the assessment of which is based on acre-feet of water, indicate the address of the property and the property tax identification parcel number of the property as to which the owner is signing the request;

- (d) designate up to three signers of the petition as sponsors, or in the case of a petition filed under Subsection 17B-1-504(1)(a)(iv), designate a governmental representative as a sponsor, and in each case, designate one sponsor as the contact sponsor with the mailing address and telephone number of each;
 - (e) state the reasons for withdrawal; and
 - (f) when the petition is filed with the local district board of trustees, be accompanied by a map generally depicting the boundaries of the area proposed to be withdrawn and a legal description of the area proposed to be withdrawn.
- (2)
- (a) The local district may prepare an itemized list of expenses, other than attorney expenses, that will necessarily be incurred by the local district in the withdrawal proceeding. The itemized list of expenses may be submitted to the contact sponsor. If the list of expenses is submitted to the contact sponsor within 21 days after receipt of the petition, the contact sponsor on behalf of the petitioners shall be required to pay the expenses to the local district within 90 days of receipt. Until funds to cover the expenses are delivered to the local district, the district will have no obligation to proceed with the withdrawal and the time limits on the district stated in this part will be tolled. If the expenses are not paid within the 90 days, or within 90 days from the conclusion of any arbitration under Subsection (2)(b), the petition requesting the withdrawal shall be considered to have been withdrawn.
 - (b) If there is no agreement between the board of trustees of the local district and the contact sponsor on the amount of expenses that will necessarily be incurred by the local district in the withdrawal proceeding, either the board of trustees or the contact sponsor may submit the matter to binding arbitration in accordance with Title 78B, Chapter 6, Part 2, Alternative Dispute Resolution Act; provided that, if the parties cannot agree upon an arbitrator and the rules and procedures that will control the arbitration, either party may pursue arbitration under Title 78B, Chapter 11, Utah Uniform Arbitration Act.
- (3) A signer of a petition may withdraw or, once withdrawn, reinstate the signer's signature at any time before the public hearing under Section 17B-1-508 by submitting a written withdrawal or reinstatement with the board of trustees of the local district in which the area proposed to be withdrawn is located.
- (4) If it reasonably appears that, if the withdrawal which is the subject of a petition filed under Subsection 17B-1-504(1)(a)(i) or (ii) is granted, it will be necessary for a municipality to provide to the withdrawn area the service previously supplied by the local district, the board of trustees of the local district may, within 21 days after receiving the petition, notify the contact sponsor in writing that, before it will be considered by the board of trustees, the petition shall be presented to and approved by the governing body of the municipality as provided in Subsection 17B-1-504(1)(a)(iv) before it will be considered by the local district board of trustees. If the notice is timely given to the contact sponsor, the petition shall be considered to have been withdrawn until the municipality files a petition with the local district under Subsection 17B-1-504(1)(a)(iv).
- (5)
- (a) After receiving the notice required by Subsection 17B-1-504(2), unless specifically allowed by law, a public entity may not make expenditures from public funds to support or oppose the gathering of signatures on a petition for withdrawal.
 - (b) Nothing in this section prohibits a public entity from providing factual information and analysis regarding a withdrawal petition to the public, so long as the information grants equal access to both the opponents and proponents of the petition for withdrawal.

- (c) Nothing in this section prohibits a public official from speaking, campaigning, contributing personal money, or otherwise exercising the public official's constitutional rights.

- (2)
 - (a) If the board rejects the petition under Subsection (1)(b)(ii), the petition may be amended to correct the deficiencies for which it was rejected and then refiled within 60 days after notice of the rejection.
 - (b) A valid signature on a petition that was rejected under Subsection (1)(b)(ii) may be used toward fulfilling the applicable signature requirement for an amended petition refiled under Subsection (2)(a).
- (3) The board of trustees shall process an amended petition refiled under Subsection (2)(a) in the same manner as an original petition under Subsection (1). If an amended petition is rejected for failure to comply with the requirements of Sections 17B-1-504 and 17B-1-506, the board of trustees shall issue a final rejection of the petition for insufficiency and mail or deliver written notice of the final rejection to the contact sponsor.
- (4)
 - (a) A signer of a petition for which there has been a final rejection under Subsection (3) for insufficiency may seek judicial review of the board of trustees' final decision to reject the petition as insufficient.
 - (b) Judicial review under Subsection (4)(a) shall be initiated by filing an action in state district court in the county in which a majority of the area proposed to be withdrawn is located.
 - (c) The court in which an action is filed under this Subsection (4) may not overturn the board of trustees' decision to reject the petition unless the court finds that:
 - (i) the board of trustees' decision was arbitrary or capricious; or
 - (ii) the petition materially complies with the requirements set forth in Sections 17B-1-504 and 17B-1-506.
 - (d) The court may award costs and expenses of an action under this section, including reasonable attorney fees, to the prevailing party.

- (1)
- (a) No later than 90 days after the public hearing under Section 17B-1-508, or, if no hearing is held, within 90 days after the filing of a petition under Section 17B-1-504, the board of trustees of the local district in which the area proposed to be withdrawn is located shall adopt a resolution:
 - (i) approving the withdrawal of some or all of the area from the local district; or
 - (ii) rejecting the withdrawal.
 - (b) Each resolution approving a withdrawal shall:
 - (i) include a legal description of the area proposed to be withdrawn;
 - (ii) state the effective date of the withdrawal; and
 - (iii) set forth the terms and conditions under Subsection (5), if any, of the withdrawal.
 - (c) Each resolution rejecting a withdrawal shall include a detailed explanation of the board of trustees' reasons for the rejection.
- (2) Unless denial of the petition is required under Subsection (3), the board of trustees shall adopt a resolution approving the withdrawal of some or all of the area from the local district if the board of trustees determines that:

- (a) the area to be withdrawn does not and will not require the service that the local district provides;
 - (b) the local district will not be able to provide service to the area to be withdrawn for the reasonably foreseeable future; or
 - (c) the area to be withdrawn has obtained the same service that is provided by the local district or a commitment to provide the same service that is provided by the local district from another source.
- (3) The board of trustees shall adopt a resolution denying the withdrawal if it determines that the proposed withdrawal would:
- (a) result in a breach or default by the local district under:
 - (i) any of its notes, bonds, or other debt or revenue obligations;
 - (ii) any of its agreements with entities which have insured, guaranteed, or otherwise credit-enhanced any debt or revenue obligations of the local district; or
 - (iii) any of its agreements with the United States or any agency of the United States; provided, however, that, if the local district has entered into an agreement with the United States that requires the consent of the United States for a withdrawal of territory from the district, a withdrawal under this part may occur if the written consent of the United States is obtained and filed with the board of trustees;
 - (b) adversely affect the ability of the local district to make any payments or perform any other material obligations under:
 - (i) any of its agreements with the United States or any agency of the United States;
 - (ii) any of its notes, bonds, or other debt or revenue obligations; or
 - (iii) any of its agreements with entities which have insured, guaranteed, or otherwise credit-enhanced any debt or revenue obligations of the local district;
 - (c) result in the reduction or withdrawal of any rating on an outstanding note, bond, or other debt or revenue obligation of the local district;
 - (d) create an island or peninsula of nondistrict territory within the local district or of district territory within nondistrict territory that has a material adverse affect on the local district's ability to provide service or materially increases the cost of providing service to the remainder of the local district;
 - (e) materially impair the operations of the remaining local district; or
 - (f) require the local district to materially increase the fees it charges or property taxes or other taxes it levies in order to provide to the remainder of the district the same level and quality of service that was provided before the withdrawal.
- (4) In determining whether the withdrawal would have any of the results described in Subsection (3), the board of trustees may consider the cumulative impact that multiple withdrawals over a specified period of time would have on the local district.
- (5)
- (a) Despite the presence of one or more of the conditions listed in Subsection (3), the board of trustees may approve a resolution withdrawing an area from the local district imposing terms or conditions that mitigate or eliminate the conditions listed in Subsection (3), including:
 - (i) a requirement that the owners of property located within the area proposed to be withdrawn or residents within that area pay their proportionate share of any outstanding district bond or other obligation as determined pursuant to Subsection (5)(b);
 - (ii) a requirement that the owners of property located within the area proposed to be withdrawn or residents within that area make one or more payments in lieu of taxes, fees, or assessments;

- (iii) a requirement that the board of trustees and the receiving entity agree to reasonable payment and other terms in accordance with Subsections (5)(f) through (g) regarding the transfer to the receiving entity of district assets that the district used before withdrawal to provide service to the withdrawn area but no longer needs because of the withdrawal; provided that, if those district assets are allocated in accordance with Subsections (5)(f) through (g), the district shall immediately transfer to the receiving entity on the effective date of the withdrawal, all title to and possession of district assets allocated to the receiving entity; or
- (iv) any other reasonable requirement considered to be necessary by the board of trustees.
- (b) Other than as provided for in Subsection 17B-1-511(2), and except as provided in Subsection (5)(e), in determining the proportionate share of outstanding bonded indebtedness or other obligations under Subsection (5)(a)(i) and for purposes of determining the allocation and transfer of district assets under Subsection (5)(a)(iii), the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition shall:
 - (i) engage engineering and accounting consultants chosen by the procedure provided in Subsection (5)(d); provided however, that if the withdrawn area is not receiving service, an engineering consultant need not be engaged; and
 - (ii) require the engineering and accounting consultants engaged under Subsection (5)(b)(i) to communicate in writing to the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition the information required by Subsections (5)(f) through (h).
- (c) For purposes of this Subsection (5):
 - (i) "accounting consultant" means a certified public accountant or a firm of certified public accountants with the expertise necessary to make the determinations required under Subsection (5)(h); and
 - (ii) "engineering consultant" means a person or firm that has the expertise in the engineering aspects of the type of system by which the withdrawn area is receiving service that is necessary to make the determination required under Subsections (5)(f) and (g).
- (d)
 - (i) Unless the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition agree on an engineering consultant and an accounting consultant, each consultant shall be chosen from a list of consultants provided by the Consulting Engineers Council of Utah and the Utah Association of Certified Public Accountants, respectively, as provided in this Subsection (5)(d).
 - (ii) A list under Subsection (5)(d)(i) may not include a consultant who has had a contract for services with the district or the receiving entity during the two-year period immediately before the list is provided to the local district.
 - (iii) Within 20 days of receiving the lists described in Subsection (5)(d)(i), the board of trustees shall eliminate the name of one engineering consultant from the list of engineering consultants and the name of one accounting consultant from the list of accounting consultants and shall notify the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition in writing of the eliminations.
 - (iv) Within three days of receiving notification under Subsection (5)(d), the receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall eliminate another name of an engineering consultant from the list of engineering consultants and another name of an accounting consultant from the list of accounting consultants and shall notify the board of trustees in writing of the eliminations.

- (v) The board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition shall continue to alternate between them, each eliminating the name of one engineering consultant from the list of engineering consultants and the name of one accounting consultant from the list of accounting consultants and providing written notification of the eliminations within three days of receiving notification of the previous notification, until the name of only one engineering consultant remains on the list of engineering consultants and the name of only one accounting consultant remains on the list of accounting consultants.
- (e) The requirement under Subsection (5)(b) to engage engineering and accounting consultants does not apply if the board of trustees and the receiving entity, or in cases where there is no receiving entity, the board and the sponsors of the petition agree on the allocations that are the engineering consultant's responsibility under Subsection (5)(f) or the determinations that are the accounting consultant's responsibility under Subsection (5)(h); provided however, that if engineering and accounting consultants are engaged, the district and the receiving entity, or in cases where there is no receiving entity, the district and the sponsors of the petition shall equally share the cost of the engineering and accounting consultants.
- (f)
 - (i) The engineering consultant shall allocate the district assets between the district and the receiving entity as provided in this Subsection (5)(f).
 - (ii) The engineering consultant shall allocate:
 - (A) to the district those assets reasonably needed by the district to provide to the area of the district remaining after withdrawal the kind, level, and quality of service that was provided before withdrawal; and
 - (B) to the receiving entity those assets reasonably needed by the receiving entity to provide to the withdrawn area the kind and quality of service that was provided before withdrawal.
 - (iii) If the engineering consultant determines that both the local district and the receiving entity reasonably need a district asset to provide to their respective areas the kind and quality of service provided before withdrawal, the engineering consultant shall:
 - (A) allocate the asset between the local district and the receiving entity according to their relative needs, if the asset is reasonably susceptible of division; or
 - (B) allocate the asset to the local district, if the asset is not reasonably susceptible of division.
- (g) All district assets remaining after application of Subsection (5)(f) shall be allocated to the local district.
- (h)
 - (i) The accounting consultant shall determine the withdrawn area's proportionate share of any redemption premium and the principal of and interest on:

 - (C) the local district's general obligation bonds that:
 - (I) were outstanding at the time the petition was filed; and
 - (II) are treated as revenue bonds under Subsection (5)(i); and
 - (D) the district's bonds that were issued prior to the date the petition was filed to refund the district's revenue bonds, general obligation bonds, or general obligation bonds treated as revenue bonds.
 - (ii) For purposes of Subsection (5)(h)(i), the withdrawn area's proportionate share of redemption premium, principal, and interest shall be the amount that bears the same relationship to the total redemption premium, principal, and interest for the entire district that the average

annual gross revenues from the withdrawn area during the three most recent complete fiscal years before the filing of the petition bears to the average annual gross revenues from the entire district for the same period.

- (i) For purposes of Subsection (5)(h)(i), a district general obligation bond shall be treated as a revenue bond if:
 - (i) the bond is outstanding on the date the petition was filed; and

Notwithstanding Subsection 17B-1-512(1), the board of trustees may not be required to file a resolution approving a withdrawal until the requirements for establishing and funding an escrow trust fund in this Subsection (5)(j)(i) have been met; provided that, if the escrow trust fund has not been established and funded within 180 days after the board of trustees passes a resolution approving a withdrawal, the resolution approving the withdrawal shall be void.

 - (A) a written opinion of an attorney experienced in the tax-exempt status of municipal bonds stating that the establishment and use of the escrow to pay the proportionate share of the district's outstanding revenue bonds and general obligation bonds that are treated as revenue bonds will not adversely affect the tax-exempt status of the bonds; and
 - (B) a written opinion of an independent certified public accountant verifying that the principal of and interest on the deposited government obligations are sufficient to provide for the payment of the withdrawn area's proportionate share of the bonds as provided in Subsection (5)(h).
 - (iii) The receiving entity, or in cases where there is no receiving entity, the sponsors of the petition shall bear all expenses of the escrow and the redemption of the bonds.
 - (iv) The receiving entity may issue bonds under Title 11, Chapter 14, Local Government Bonding Act, and Title 11, Chapter 27, Utah Refunding Bond Act, to fund the escrow.
- (6) A requirement imposed by the board of trustees as a condition to withdrawal under Subsection (5) shall, in addition to being expressed in the resolution, be reduced to a duly authorized and executed written agreement between the parties to the withdrawal.

 - (a) for the purpose of paying the withdrawn area's just proportion of the local district's general obligation bonds or lease obligations payable from property taxes with respect to lease revenue bonds issued by a local building authority on behalf of the local district, other than those bonds treated as revenue bonds under Subsection 17B-1-510(5)(i), until the bonded indebtedness has been satisfied; and
 - (b) to the extent and for the years necessary to generate sufficient revenue that, when combined with the revenues from the district remaining after withdrawal, is sufficient to provide for the payment of principal and interest on the district's general obligation bonds that are treated as revenue bonds under Subsection 17B-1-510(5)(i).
- (2) For a local district funded predominately by revenues other than property taxes, service charges, or assessments based upon an allotment of acre-feet of water, property within the withdrawn area shall continue to be taxable by the local district for purposes of paying the withdrawn area's proportionate share of bonded indebtedness or judgments against the local district incurred prior to the date the petition was filed.
